### **What is a QA?**

Quality Assurance is provided during a senior evaluation to insure that the test is meeting the standards set forth in the Senior Program.

Application indicates a desire to contribute to the senior program by being part of the QA team. Your responsibility as a QA is to provide feedback using the QA feedback form during a senior evaluation. The senior evaluation that you QA cannot be in your region. QA reports go the division senior program supervisor, region director, senior region advisor and assistant division director. Mileage (current division rate), partial lodging, lift tickets and meals are provided through reimbursement by the Division.

### **How DO YOU Get Started?**

You must submit this application with a **written recommendation from a current QA staff member and or your region director.**

You will commit to shadow 2 senior evaluations for the 2009-10 season using the feedback form in the senior manual.

You will be assigned a mentor who is currently on the QA staff
